

Character Enrichment Timetable

Enrichment is a very important part of the Northampton Academy experience, ensuring students have the opportunity to develop new skills, talents and character outside their formal learning environment. We offer a wealth of clubs, including music, drama, sports, gaming and reading. The calendar changes termly, so please see the latest one overleaf.

At Northampton Academy, we promise leadership opportunities for every student, many of which come from the wide range clubs on offer.

Regular attendance to clubs and activities is necessary for student development academically, emotionally and socially. Please ensure that if your child has chosen to attend a club that they attend regularly. If they are unable to attend for a week, they should notify the staff member in charge so they will be aware of their absence. Timetable available to view and download below.

All our Character Enrichment Clubs fall under one of the categories below, linked to our core values of Respect, Determination, Ambition, Tolerance, and Integrity.

Respect ■ Determination ■ Ambition ■ Tolerance ■ Integrity

ACE School of
CHARACTER
